Subject: Attorney Transition – Hourly Billing Rates
Date: September 26, 2019

The Commission must determine if it wishes to remain with Foster Swift Collins & Smith, PC or if it wishes to follow Lisa Hamameh to her new firm, Rosati Schultz Joppich & Amtsbuechler, PC.

Regarding attorney hourly billing rates:

- Lisa Hamameh has confirmed that her rate with her new firm would be \$125/hour.
- Per Scott Hogan's email of August 22, 2019:

“As I indicated yesterday, I would keep the rate at \$125 per hour, subject to revisiting that rate sometime in the future.”

Scott Hogan confirmed the Commission could request him if the decision is to remain with Foster Swift Collins & Smith.
